

Invitation Letter from Potential Host

Dear [*name of applicant*],

Thank you for your communication on [*date*].

If you are successful in your application for the EAPSI program, I am willing and able to host you at my laboratory during the summer of [*year*].

I have read your research proposal, and based on our mutual research interests I will be able to provide the necessary laboratory facilities and supplies for your work.

This letter also confirms that the resources needed to accomplish your research objectives are available for your use.

Sincerely,
[*Host Signature*]
